

# Zion Lutheran Church

## Vision Planning & Goals Committee

### Subgroup: 2021 Worship Growth

#### **Mission Target Statement 2.0**

Every member would have the desire to gather around and hear God's Word and received the Sacrament on at least a weekly basis.

#### **Goal 2.1 Welcome**

#### **Goal 2.2 Signage**

#### **Goal 2.3 Multi-Purpose Space**

Zion will create a space where the following needs are met by the end of 2023.

1. Assimilation happens and information can be shared
2. Where people can gather and build relationships
3. Accommodations of elderly and wheelchair accessibility (ADA compliant)
4. Restrooms on ground floor (ADA compliant)
5. Child-cry room for parents accessible during active service

# Subgroup: 2021 Worship Growth

## Goal 2.3 Multi-Purpose Space

Zion will create a space where the following needs are met by the end of 2023.

1. Assimilation happens and information can be shared
2. Where people can gather and build relationships
3. Accommodations of elderly and wheelchair accessibility (ADA compliant)
4. Restrooms on ground floor (ADA compliant)

### A. Multiple Building Options Considered to Meet Stated Objectives

1. Major new building addition approximately 4500-4800 sq. ft.
  1. Multipurpose activities considered
  2. New main sanctuary entrance and added parking lot/spaces added to Hayes st. access
    1. Drive through car portico drop-off access
    2. Hayes St. landscaping visual break required by Pville City Ordinance
  3. Hall extension entry to praise hall and new entry into main sanctuary through SW narthex corner
  4. Dedicated HVAC planned for rooftop location – not visible from street, eliminate sound abatement
  5. Architect TBD design building structure freestanding or tied to existing main Narthex + Praise Hall
  6. Interior commercial track-driven room dividers incorporated

# Subgroup: 2021 Worship Growth

## Goal 2.3 Multi-Purpose Space

Zion will create a space where the following needs are met by the end of 2023.

1. Assimilation happens and information can be shared
2. Where people can gather and build relationships
3. Accommodations of elderly and wheelchair accessibility (ADA compliant)
4. Restrooms on ground floor (ADA compliant)

### A. Building Detail Summary Concepts to Meet Achieve Stated Objectives

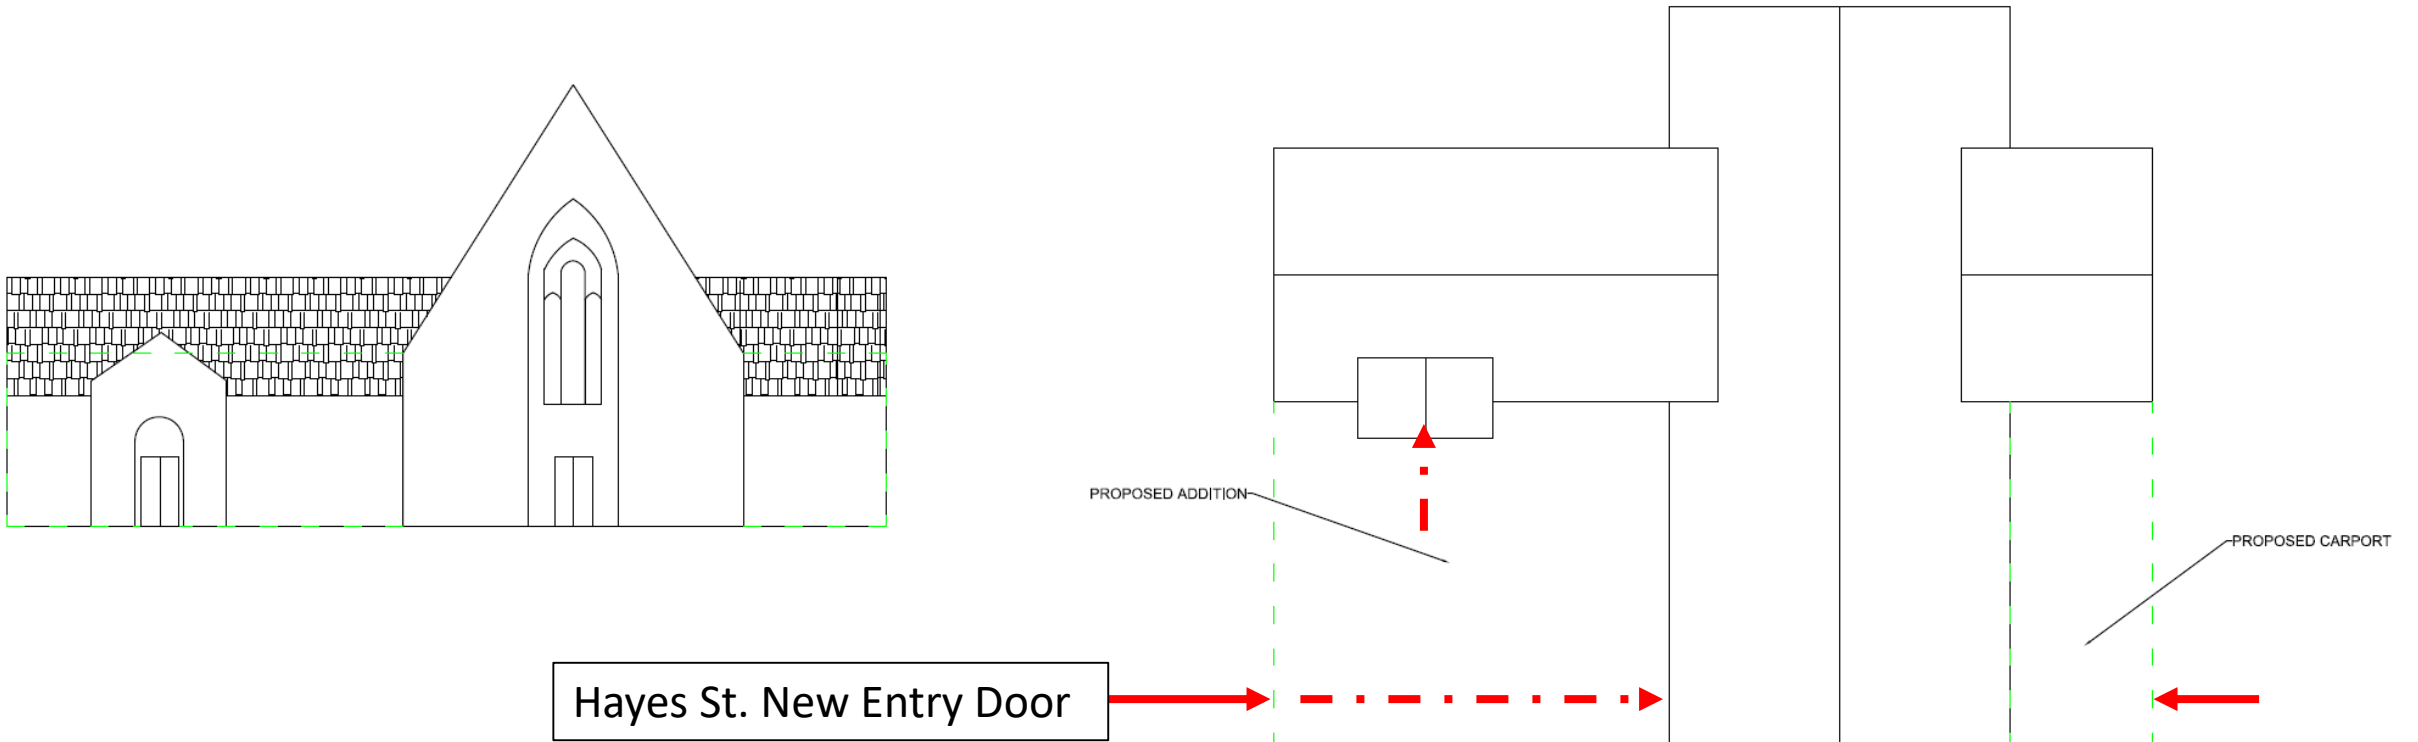

1. Same level as church Narthex-Sanctuary ADA compliant restroom
  1. Requires building extension
    1. Incorporated into main 4500-4800 sq. ft. new building construction
    2. Alternative option is small building extension off SW Narthex corner
      1. ADA Compliant restroom same level as existing church narthex.
  2. Building upgrade to include a 3-4 person elevator and family restroom
    1. Provide access to basement and choir loft
    2. First floor ADA Compliant family restroom

# Subgroup: 2021 Worship Growth

## Goal 2.3 Multi-Purpose Space

Zion will create a space where the following needs are met by the end of 2023.

1. Accommodations of elderly and wheelchair accessibility (ADA compliant)

## Goal 2.3 Multi-Purpose Space

Zion will create a space where the following needs are met by the end of 2023.

1. Accommodations of elderly and wheelchair accessibility (ADA compliant)

### A. Multilevel Building Options Considered to Meet Stated Objectives

1. Choir loft extension
  1. Extend the existing choir loft, moving the front center floor/railing forward into Sanctuary
    1. Provides ~40% new floor space for choir and musicians
      1. Extension out to first main arch supports
      2. Allows for no impedance to existing stain glass window sight plane
    2. Elevator access
    3. Improve HVAC air management covering full choir loft
  2. Colonnade entry for existing SE Narthex entrance
    1. First Plan – Construct new enclosed hallway entrance out to existing parking lot
      1. With overhang for improved church drop-off and safe church entry
    2. Second Plan – Construct new entrance colonnade extension with roof only

# Subgroup: 2021 Worship Growth

## Goal 2.3 Multi-Purpose Space

Zion will create a space where the following needs are met by the end of 2023.

1. Accommodations of elderly and wheelchair accessibility (ADA compliant)

**Proposed New Entrance Off Hayes St., Showing Drive Through Portico Entrance Examples**

# Subgroup: 2021 Worship Growth

## Goal 2.3 Multi-Purpose Space

Zion will create a space where the following needs are met by the end of 2023.

1. Accommodations of elderly and wheelchair accessibility (ADA compliant)

**Proposed Upgrade to Existing  
Entrance with Enclosed Colonnade  
Build**

## Goal 2.3 Multi-Purpose Space

Zion will create a space where the following needs are met by the end of 2023.

1. Accommodations of elderly and wheelchair accessibility (ADA compliant)

**Proposed Upgrade to Existing Entrance with Enclosed Colonnade with Roof Extension**

**Colonnade with Enclosed Walls and Roof Extension**

# Subgroup: 2021 Worship Growth

**Choir loft extension depiction**

**From middle region of existing choir loft project out to first main arch support**

**Overhead projection covers the last two+ pews. As shown with blue rectangular box and yellow extension arrows**

# Subgroup: 2021 Worship Growth

## **Goal 2.3 Multi-Purpose Space**

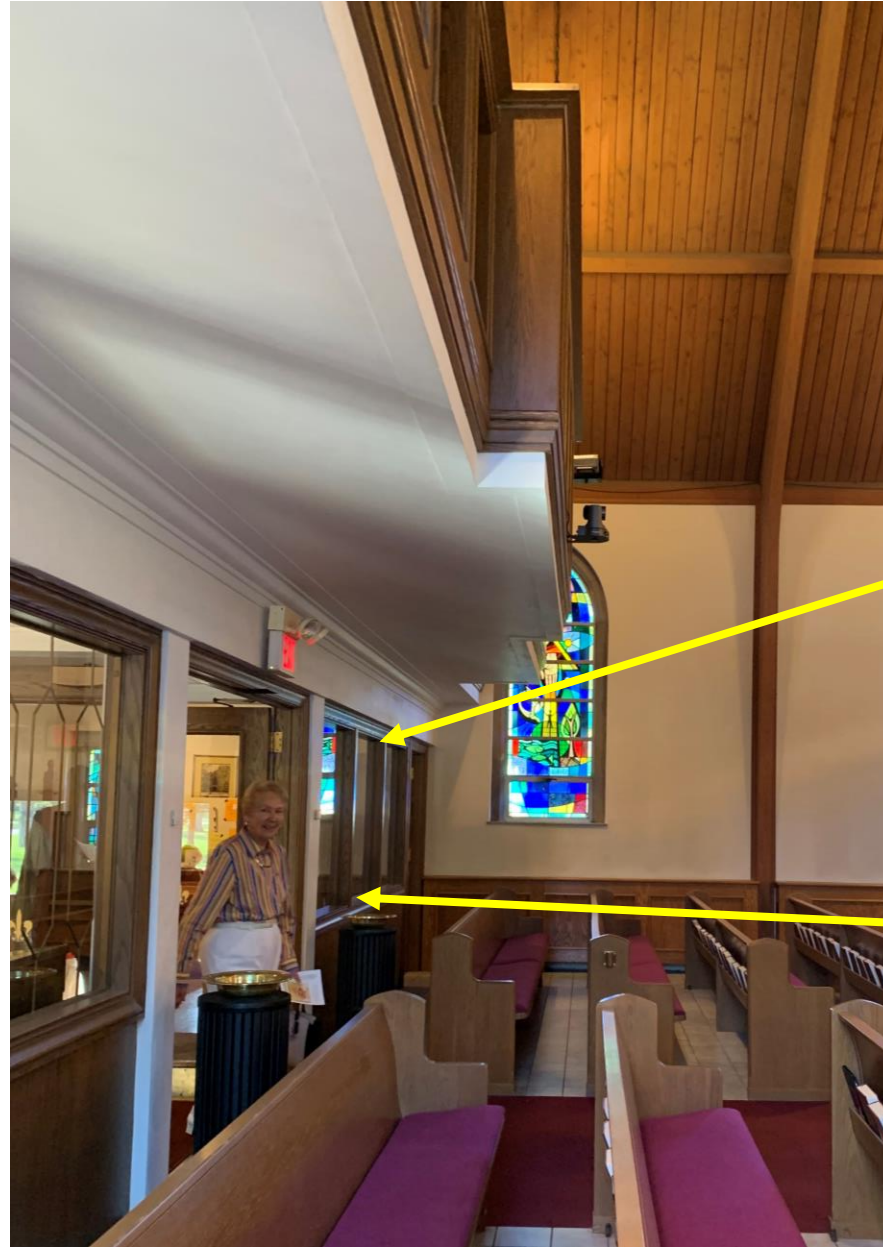

Zion will create a space where the following needs are met by the end of 2023.

1. Child-cry room for parents accessible during active service

### **A. Multiple Building Options Considered to Meet Stated Objectives**

1. Child-cry room accommodations
  1. Incorporate Into existing sanctuary Narthex
    1. Location behind existing glass wall facing church pulpit
    2. Sound deadening construction
    3. Room of 9' x 12' area
    4. Single entry door access

## Subgroup: 2021 Worship Growth

### **Parents – Child Cry Room**

Build Sound-Proof Room Behind Glass Wall on Left side of Narthex

Room to be Constructed ~9' x 12'

Utilize Existing Window Half-Wall to View Service

Incorporate Audio Speaker
